

A Message From Beth

I feel so privileged to have found a way to blend my love of a good story with my recovery and my gifts as a performer and an educator.

Everything offered - my book, the programs and workshops I've created - are a result of that synergy and is my life's work.

I hope that you will find something to your liking in the programs and material I offer. If you don't, please contact me, and I will happily create something for your event, organization, or class!
